About Us

The Naughty Badger was the brainchild of Sam & Pete, who was known as 'Uncle Badger' to his niece. They opened the bistro on July 19th, 2021. An auspicious date as this happens to be the birthday of one of the current owners Teana.

On 31st October 2021 new owners, ex pro-footballer Andy aka #TheChesterChef and his fiancé, model & former Classic Miss British Isles, Teana took the leap.

Andy had been looking to fulfil his dream of opening his own place for a while; somewhere intimate, friendly, and in a great location. The Naughty Badger fit the bill perfectly

We hope to build on the legacy left behind and become a hidden gem in Chester, our own secret 'sett' where you can feel at home with the Badgers
We look forward to welcoming you all!
